

**Japanese Knotweed Ltd** specialise in the control and eradication of Japanese knotweed and other invasive weeds, throughout the UK. We mitigate the problems that knotweed causes for property developers, construction companies, corporate clients, local authorities, housing associations and private homeowners. We pride ourselves on offering the best service in the industry.

We are recruiting for a **Seasonal Japanese Knotweed Surveyor** covering a large regional territory. Ideally based in either London, Birmingham or Manchester, or areas between these cities. Surveying commercial sites and residential properties for invasive plants, you will be self-organised and motivated by delivering excellent customer services and a take pride in producing accurate, high quality survey reports to attain new customers and orders.

**Japanese Knotweed Ltd** people are brilliant – they are self-motivated and dedicated. They are reliable and conscientious, and all share the same vision. Collectively they make us a market leader, energized by delivering an outstanding service to our customers with transparency and accountability. We aspire to employ the best people to work for us, people who can take ownership of their roles and who enjoy doing what they do best, in a friendly and caring workplace.

If this is what you are looking for and you have the required qualities and qualifications, please apply and request a job description.

### **Skills and Experience Required**

- An excellent focus on customer service
- Adaptable and flexible approach to work and a drive to provide a quality output
- Experienced invasive weed Surveyor
- CSJK qualification is preferable but not essential, as training will be provided.
- Education, background, or experience in horticulture/agriculture
- NPTC Card PA1 & PA6 Herbicide spraying certificate is preferable but not essential, as training will be provided.
- Good IT skills
- A full driving licence

### **General Information**

- On contract from April 2021 to November 2021, working Mon-Fri during our busy growing season. With the intention of a repeat year-on-year seasonal contract.
- This role needs a great deal of focus on the client and the accuracy of the survey and site report to give our customers the best solution.
- Based from your home address, you will be predominantly travelling and working on pre-booked activities and sites, visiting multiple locations in the day and occasionally staying away.
- Working hard to maintain and enhance the reputation of the company by providing excellent customer service, you will be the first person in the company the client will see so creating a good impression is vital.
- Completing accurate site investigations, digitally recording findings and measurements, taking a detailed record of photographs, and completing a schematic survey plan.
- You will be provided with a works van, fuel card, a mobile phone and tablet. All IT equipment is supplied to enable you to communicate remotely onsite and deliver the information back quickly.
- Occasionally working with others to carry out works on larger sites that may involve specific H&S protocols.

### **Salary and Benefits**

Competitive Salary, and an attractive Pension Scheme.

15 Days holiday plus bank holidays in the contract period.

Company events, team breakfasts.
